ABHYUDAYA

National Livestock Conference

“Futuristic Approach to Viable Animal
Production vis-à-vis Climate and Calamity
Challenges”

29th Annual Convention of Indian Society of
Animal Production & Management (ISAPM) -
2023

18-20 January, 2023,
C.V.Sc. & A.H., OUAT, Bhubaneswar-3

Invitation

Indian Society of Animal Production and Management, and OUAT, Bhubaneswar welcome you to participate in the National Livestock Conference: “Futuristic Approach to Viable Animal Production vis-à-vis Climate and Calamity Challenges” and 29th Annual Convention of Indian Society of Animal Production & Management (ISAPM)-2023 from 18th to 20th January, 2023 at Bhubaneswar, Odisha. The Organizing Committee is looking forward to meeting you at Bhubaneswar to exchange ideas and deliberate on recent developments for a viable livestock enterprise in consideration of climatic vagaries, especially the natural calamities.

Focal Theme

The National Livestock Conference, Abhyudaya will focus on development and adoption of innovative technologies by the stakeholders confronted with the onslaught of climate change and calamity challenges. In this context, the different aspects viz. nutrition, breeding, healthcare and welfare measures would be given appropriate priorities for a sustainable growth in livestock production.

Breeding &
Reproduction
Management**

5th
Session

**Livestock Health,
Behaviour &
Welfare**

6th
Session

**Precision
Livestock
Farming**

Host Institute

The Society came into being in the year 1982 having its origin at OUAT, Bhubaneswar and has evolved over four decades to its present form. The second oldest Agriculture University of our country, OUAT, established in the year 1962 is the solitary Agriculture university of Odisha. The university having the vision of sustainable development in green, blue and white revolution in the state, provides leading-edge education, research and extension services. The university, through its constituent colleges, produces skilled human resources providing need-based services to the farming community.

Host City

The city Bhubaneswar is known as the '*Ekamra Kshetra*' or the '*Temple city of India*'. This ancient city got its name after the supreme God 'Lord Shiva'. It has its cultural heritage and iconic monuments dating back to the third century BC. The opulent architecture of the magnificent temples and caves has been inspired by Hindu, Buddhist, and Jain legacies.

The ambient temperature of Bhubaneswar in the month of January is pleasant with max. of 24^oC and minimum 16^oC.

One of the four *Dhams*, Puri Jagannath temple and Konark Sun temple along with sea beach (Puri and Chandrabhaga) are well connected with Bhubaneswar

Nandankanan Zoo, being Asia's biggest and most famous zoo, is spread over 426 hectares of land. Having lion and tiger safari, the zoo is a prime attraction for visitors, especially for white tiger.

TRANSPORTATION & ACCOMMODATION

The city Bhubaneswar is well connected with different cities across India through airways, railway and roadways. The Bhubaneswar Airport is only 2 km and the Railway station 5 km from the University campus.

There is limited accommodation in the University/ Govt. Guest Houses. Delegates are requested to book their accommodation at their level in any of the following hotels as per their suitability. All are requested to book their accommodation at the earliest, as the city of Bhubaneswar is hosting the Hockey World Cup during the same period.
